

The SaskPower Windscape Kite Festival and Long Day's Night Music Festival are inviting new board and committee members to join our leadership teams as we prepare for the next exciting chapter of growth.

"These festivals are about more than kites and music," says Kimberly Hartwig, Board Chair. "They are about building community, celebrating creativity, and making arts and culture accessible to all ages."

Our boards are seeking passionate individuals who want to contribute their skills, ideas, and energy to help shape Western Canada's only kite festival and one of Saskatchewan's most beloved summer music events. Opportunities exist across several committees, including programming, sponsorship, volunteer coordination, marketing, and more.

"This isn't just about filling seats," says Christine Ciona, Volunteer Committee lead. "It's about creating something greater together—bringing new voices, talents, and visions to the table as we continue to grow."

Interested individuals can learn more by contacting us directly or reading below on the different committees and positions available. Contact: Keely Williams (Coordinator): 306-741-5264 or coordinator@windscapekitefestival.ca
