*puppet lab*  
**PUPPET  
SHOW**

**EACH DAY:**

**Show at 2:00**

**Workshop at 2:20 & 3:00**

**SEIU Rest Tent**

# Welcome!

---

The public is welcome to bring a kite to fly, and kites are available for purchase on-site. Kite making workshops are held throughout the weekend in the Children's Tent.

A rest area is provided in the Footworks Resttent all day. Free water refill stations are located throughout the festival provided by Associate Family Physicians Clinic.

Spectators are welcome to set up a blanket or chair along the sides of the flying fields.

Public flying fields are the entire south end of the field just past the Children's Tent and the bleachers. We ask that you please do not fly your kites near the tents, or on Celebrity Flyer Fields.

The Demo Field, Single-Line Field, and Multi-Line Field are for Celebrity Flyers only.

Please do not disturb the flyers while they are performing. Wait until they come off the field to ask questions or to get autographs. The Fan Zone near the flyer's tent is a great place to meet the Celebrity Flyers.

Please Note: Event Photographers will be taking photos throughout the day. By being on-site you consent to having your photo taken.

Please review us on Google and find us on Facebook at

# Colour the Wind: Kite Arch Project

---

## Design Your Own Kite!

This activity invites the public to purchase and colour an eddy kite that will become part of a spectacular permanent kite arch installation - a soaring legacy that will fly each year at the beloved Windscape Kite Festival.

Get yours in the children's tent and watch as the arch grows on the field all weekend.
